The Mount Diablo Metal Detecting Club's first dedication is to treasure hunting in all its forms and to use and enforce the treasure hunter's Code of Ethics. The second dedication is to community. We complete this dedication through the use of our trained Community Assistance Team and our support of the Relay for Life of Diablo Valley.

Who are we?

We are the Mount Diablo Metal Detecting Club, (MDMDC) currently based out of Concord, CA, and established in 1979.

The club has never ceased to protect the hobby, and encourage good habits, and good sportsmanship.

Are you interested in metal detecting or finding buried treasure? You are welcome to join us at one our monthly meetings to learn more about the club, and the people that make it up.

The club meets monthly on the second Tuesday of each month at 7:30PM at:

Contra Costa Water District Office Building

1331 Concord Ave.

Concord, CA.

You will find more information about the club at our website: MDMDC.COM.

May Meeting!

Club president Ken Housfeld opened the meeting with the welcoming of guest Eric Krumrei (who also joined the club!) to the meeting.

He then spoke about the upcoming June maxi-hunt (the sign up form is later in this newsletter).

The top 3 prizes will each be a gram of gold, with the fourth prize being a gram of platinum. All paid hunters will receive a Morgan dollar just for participating in the hunt.

Ken also recapped the May hunt where 22 hunters vied for the top 2 prizes which were pieces of gold. The hunters also pitched pennies and tossed a Frisbee for prizes.

Martin Coulson won the Silver Dime raffle.

The Show and Tell topics were either the smallest thing you have found, or the most monetarily valuable.

Kelly Plumb spoke of her first metal detecting finds ever, a dime and penny.

Our website, MDMDC.COM, has old newsletters, the club bylaws, photos of past events, and much more!

May Meeting!

Marc Larsen talked about finding an Oakland A's championship ring.

James Lind spoke about his latest CoinStar finds.

Eric Edgren talked about his 1897 Indian head penny, a 1916 Mercury dime, and 1918-1919 wheat pennies.

Joe McMurtrey spoke of his junk finds.

John Halliday talked about finding a 1750 cannon and a 3 ounce gold nugget!

Mary Roan displayed her always impressive monthly finds.

Mark Young displayed perfume bottles from the 1800's.

Dan DiCarlo and Eric Edgren won the Membership and Show and Tell Drawings, respectively.

Beth Stockholm won the 50/50 drawing.

Come to a meeting or a hunt and buy a shirt or two.

Once they're all gone, we'll have to order more!

Start an MDMDDC Chapter!!!

The MDMDDC board has decided to explore the possibility of having MDMDDC chapters throughout CA.

We know that there are areas of our state that used to have metal detecting clubs (San Bruno, Santa Clara, San Jose, etc) which are now defunct, and we would like the people in those areas to come under the MDMDDC umbrella.

If you live in any of these areas and would like to, or know someone who would like to start up an MDMDDC chapter, please let me know.

Take a moment to imagine the prestige and inner warmth you will feel being a MDMDDC chapter lead!

Don't hesitate, and contact me today!

Thanks,

Dan DiCarlo
