On the front cover: From everyone here at MDMDC: Have a safe and happy holiday season!

The Mount Diablo Metal Detecting Club's first dedication is to treasure hunting in all its forms and to use and enforce the treasure hunter's Code of Ethics. The second dedication is to community. We complete this dedication through the use of our trained Community Assistance Team and our support of the Relay for Life of Diablo Valley.

Who are we?

We are the Mount Diablo Metal Detecting Club, (MDMDC) currently based out of Concord, CA, and established in 1979.

The club has never ceased to protect the hobby, and encourage good habits, and good sportsmanship.

Are you interested in metal detecting or finding buried treasure? You are welcome to join us at one our monthly meetings to learn more about the club, and the people that make it up.

The club meets monthly on the second Tuesday of each month at 7:30PM at:

Contra Costa Water District Office Building

1331 Concord Ave.

Concord, CA.

You will find more information about the club at our website: MDMDC.COM.

December Holiday Party!

First, the club would like send out a big **THANK YOU** to Yvonne Whitchurch for getting the club a free hall in which to hold its holiday party!!!

As party goers entered the hall, they were asked to sign in, receive a name badge , and receive a ticket to be used later if they brought in a gift exchange item.

Club President Ken Housfeld opened the event with the welcoming and thanking of those attending this glorious event.

There were 32 people in attendance, and there was plenty of scrumptious food brought in by the attendees.

The meal lasted less than hour, and once everyone had completed eating, the gift exchange occurred. As the afore mentioned tickets were drawn, the ticket holder could grab the gift of their choosing. Twenty one people participated in the gift exchange.

Our website, MDMDC.COM, has old newsletters, the club bylaws, photos of past events, and much more!

December Holiday Party!

Crowd-favorite Liz Leppelmeier then led the attendees in a rousing game of CD Toss For A Prize. This editor was so caught up in the game's excitement that he has forgotten who won.

The drawing was next on the agenda and Bill Like won the top prize of a Dos Peso!

Ken Housfeld then thanked everyone for coming.

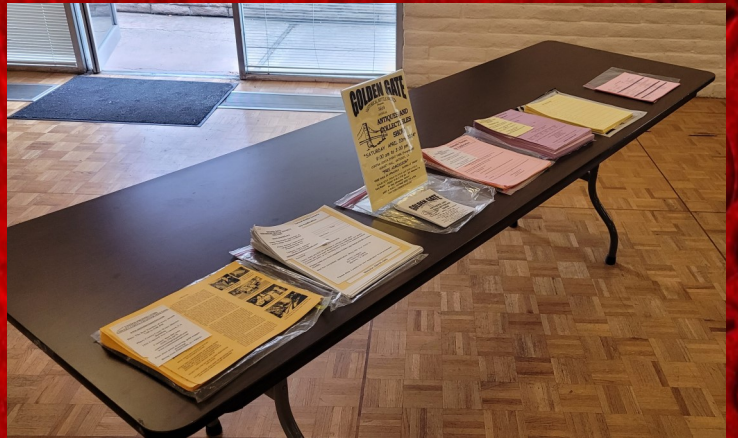

Overall, it was good event with great food, more than a few laughs, and good company.

For those of you who attended our holiday party, we at MDMDC hope that you had a good time, and we were glad that you came.

For those of you who didn't make it to the event, you missed a good time with loved ones and your life-long friends of MDMDC.

Start an MDMDDC Chapter!!!

The MDMDDC board has decided to explore the possibility of having MDMDDC chapters throughout CA.

We know that there are areas of our state that used to have metal detecting clubs (San Bruno, Santa Clara, San Jose, etc) which are now defunct, and we would like the people in those areas to come under the MDMDDC umbrella.

If you live in any of these areas and would like to, or know someone who would like to start up an MDMDDC chapter, please let me know.

Take a moment to imagine the prestige and inner warmth you will feel being a MDMDDC chapter lead!

Don't hesitate, and contact me today!

Thanks,

Dan DiCarlo

Donate It or Sell It!!

We are always looking for, and willing to accept items of value without having to pay for them.

If you have anything that you don't need, please consider donating the item to the club.

We will take coins, detecting equipment, metal detectors, and any metal detecting related items and include them in our monthly raffles.

If you would like help selling your items, we can do that also. Please feel free to contact me through my email address, and we can work together to get your item sold. You'll be glad you did!
